City of Ormond Beach

JULY 22, 2011

*Recycling
Made
Beautiful!*

The Casements Enviro Campers had a week full of recycling fun! At the beginning of the week, members from the Ormond Beach Garden Club came to show the children how to transform old shoes into beautiful little gardens.

The campers visited the Ormond Memorial Art Museum and Gardens on Wednesday and met with master gardener Janett to learn about the native plants and animals that live there.

The folks from Our Vital Earth visited the camp on Thursday to show the children how to grow their own worm farms and explained the importance of composting.

The children had fun on the last day of camp during their "Can Can Carnival" which consisted of games made with recycled materials. For the afternoon, our City's very own Environmental Specialist, Kevin Gray, visited the camp to teach the children the basics of recycling at home.

cling at home.

The next week is our final week for camp and we will be focusing on water!

CMT Summer Theater Camp at the PAC

The annual Children's Musical Theatre (CMT) Summer Theater Camp program at the Ormond Beach Performing Arts Center is being conducted from Monday, July 11th through Friday, July 29th. The camp's theme this year is "Circus of the Future Stars," and is the title of a show that will be performed at the PAC on Friday, July 29th at 7 p.m.

Each day, the camp program begins with warm-up exercises on stage. During the camp, lessons are given in voice, performance, and musical theater. This year, the campers are being taught how to ride

unicycles, juggle, balance items on their fingers, and how to be a circus clown. They will use these skills when they perform in the upcoming show. The CMT Summer Theater Camp program is designed to educate the children in the performing arts as well as provide a fun summer camp experience!

Camp T Rec Summer Fun!

Camp T. Rec campers enjoy new and exciting activities each week thanks to the creativity and resourcefulness of the summer counselors. Each week the campers are treated to a trip to the YMCA pool. While at South Ormond Neighborhood Center, the counselors relate all the activities to weekly themes, including arts and crafts, group activities, games, sports and movies. Camp T. Rec is run through the Department of Leisure Services annually for the special needs community.

Youth Basketball Season Ends

At the South Ormond Neighborhood Center, youth basketball came to an end this week. This summer's basketball program, which is for 8th grade boys, is sponsored through the Ormond Beach Police Athletic League, South Ormond Sports Club, and Interstate Batteries.

The boys, coached by Steafon Jenkins and Chip Loyd, were among the more than 120 teams from across the country that competed in their division at the Amateur Athletic Union (AAU) Nationals in Orlando at Disney's Wide World of Sports.

The boys had a great time and got a chance to play on the biggest stage in the country. The experience is one we're sure they'll treasure for a long time.

Comedy, Magic & Games!

Nova Community Center's Summer Connection Day Camp continues to gain momentum. The energy of the campers, along with the added experience of the summer counselors, has resulted in high-powered fun and excitement! Diamond Jim captivated the campers once again with his comedic antics and magic. Each day the campers gain skills relating to sports, jumping rope, arts and crafts, the Wii and other games.

The Leisure Services Department Summer Camp program has been a favorite in the community throughout the years, where many great summer childhood memories are made year after year!

Pre-school Fun Day at Gymnastics Center

The Gymnastics Center held a special class last weekend called "Pre-school Fun Day," for boys and girls ages 3 through 6. The little ones loved it!

Parents dropped the children off at 10 a.m. and the fun and learning continued for three hours. They played games, did obstacle courses and of course learned gymnastics skills.

Fourteen preschool participants were kept busy on various stations throughout the gym. At the request of many of the parents, additional Preschool Fun Days will be planned for the near future.

For further information on the Gymnastics program, call the Leisure Services Registration Office, 386-676-3250.

Summer Sports Clinics Have Begun

The City of Ormond Beach Summer Sports Clinics program is underway with the first installment being the Baseball Fundamentals Camp. Fourteen youngsters participated in the clinic which ran Monday through Thursday, from 9 a.m. to 1 p.m.

The clinic consisted of improving skills in the areas of hitting, defensive play, base running, throwing, receiving, game situations, cutoffs, etc. The final day included a "scrimmage" game, putting together the skills learned throughout the week.

Upcoming clinics include golf, volleyball, softball, and baseball power hitting. The program runs into the middle of August through the Athletics Division of the Department of Leisure Services. For registration information, please call 386-676-3250.

Caribbean Fun Planned

Mark your calendars and make plans now to attend the 6th Annual "Caribbean Night & Island Market" in Rockefeller Gardens on Saturday, August 6th from 4 p.m. to 9 p.m.!

This year will be the best ever with live continuous music featuring Patrick Sammy on Steel Drums, Lionheart and Mixed Kulcha, out of Fort Lauderdale, Florida.

There will be plenty of opportunities to get some Caribbean cuisine while you relax and listen to the music! The kiddies will have some fun, too. Two large inflatables will be set up for them to climb and slide the night away and they can get their faces painted to boot!

Don't have time to take a vacation? No worries, we have the best "Staycation Station" this side of the Caribbean. Take a relaxing picture and send to all your friends. They'll be jealous you didn't bring them along!

Hope to see you here for all the fun and sun!
