## *Just Twistin' Hay*

Enjoy some merry mischief with the "Just Twistin' Hay" Irish Folk music group on Saturday, September 15, 2012, at the Ormond Beach Performing Arts Center. The six member Irish-Celtic folk band from Central Florida will bring the culture of the Emerald Isle to Ormond Beach in a 90-minute family-friendly show beginning at 7:00 p.m.

Fiddle music originated in the folk tradition of the British Isles, France, Ireland and Scotland so when band member and classically trained musician Linda Clipp chose to study the fiddle, she learned the technique native to the Celtic Region of Cape Breton, Nova Scotia. Fiddling along with Linda is a Florida state fiddle champion Sharon Hartmann.

Linda's musically talented husband Dave plays mandolin, bouzouki, bass guitar, banjo, recorder, harmonica and vocals. Her son, Jacob Butler, keeps the beat on the bodhran (Irish hand drum) and spoons, plays banjo and sings in the group. Rounding out the sound are Nicole Chism on flute, whistle and vocals and Lee Simpson on guitar and vocals.

Joining "Just Twistin' Hay" onstage will be the Inisheer Irish Dancers whose performances present a unique experience for audiences. This popular dance troupe from the Gainesville area will perform the playful and expressive Sean Nos (old style) Irish Dance, as well as, Nua Nos (new style) Irish Dance that includes modern step dancing and Ceili dance.

"Just Twistin' Hay" is Irish slang for creating merry mischief with no harm done and the group is sure to be having some fun with the audience who will be tapping their toes to the lively music. Reserved seat tickets are on sale for \$10 at the Ormond Beach Performing Arts Center Box Office. The Box Office is located at 399 N. # “Movies on the Halifax” Celebrates 3 Years!

The “Movies on the Halifax” free outdoor movie program celebrates its third year today! The movies have been a popular family night out for residents and visitors alike. The program is sponsored by the Department of Leisure Services and The Casements Guild. Classic and first run movies are chosen by The Casements staff each month depending on the time of year and upcoming holiday. Moviegoers can also cast a vote for a particular movie by filling out a survey on movie night.

Several area businesses have sponsored the movies by donating funds to offset the cost of the licensing, providing special treats tied to the movie theme, or providing fun props for the moviegoers.

We appreciate all the support from our sponsors and avid movie fans and look forward to another great year of movies!

To see the upcoming list of featured films and times go to [www.thecasements.net](http://www.thecasements.net).

# City Manager Work Day

On Thursday, August 30, 2012, City Manager Joyce Shanahan spent the afternoon with the Finance/Utility Billing Department and Building/Permitting Division to learn their day-to-day processes.

Joyce first spent time with the Building/Permitting Division working the front counter with Cindy Berglund, Permit Manager. They greeted customers as they came in and stuffed envelopes with renewed business tax receipts. During the afternoon, a large FedEx package was delivered containing plans that needed to be routed to the Plans Examiner. They also discussed the processes in place for the office. Joyce assisted with the issuance of a driveway replacement permit to a homeowner during the permit “happy hour.” She asked about the day-to-day operations, and gave great feedback on how well received the permit counter has been.

While in the Finance Department, she worked with Darlene Messina, Accounting Clerk II, at the front desk. She observed how phone calls were handled and walk-in customers were helped with establishing new service, processing utility payments, including payments for disconnected accounts, adjustments for the sewer portion of utility bills, processing work orders, and foreclosure registrations.

Joyce then spent time with Rob Hart, Accounting Technician. She was shown how storm water drainage charges were calculated, garbage service set up and rates and deposits adjusted on newly annexed properties. She also observed a phone call where service set up was refused for someone who lacked proper documentation of ownership of the property.
