Challenger Soccer

On Tuesday, September 10th, the Challenger Soccer team met at the Sports Complex on Hull Road for their first practice of the Fall 2013 season. The Challenger Team is a team of players with special needs ranging in age from 10-25 years old. With most of the players being on the team for more than five years, parents say that the team is a family.

On the first day of practice, everyone is excited to see each other. During each practice, they perform drills to improve their skills and play a short scrimmage game to use the skills they have been taught. For more information, call Lori Koplun, Nova Community Center/Special Populations Coordinator, at (386) 676-3252.

SONC

The South Ormond Neighborhood Center is still booming despite a little inclement weather which has kept the crowds slightly down at the splash pad. Several meetings were held at the Center this week including the AmVet regional meeting, a MLK Prayer Breakfast planning meeting, and YMCA Soccer. Jazzercise classes continue, the Pride football players have been on the field, and as always, free play basketball is jamming.

Parks Beautification

Our Parks Maintenance staff recently made several repairs and upgrades in various areas throughout the City. New handicap accessible picnic tables were installed at the play area at Fire Station #91 and Milton Pepper Park. The loose and broken deck board on the pier at Sanchez Park was repaired making it safer for anglers testing their luck. At the Magic Forest Playground in Nova Community Park, staff secured four picnic tables to the concrete slab. Staff also installed a new trash receptacle at Milton Pepper Park for patrons to use. These repairs and upgrades are only a small portion of what the Parks Maintenance crew do each week to keep the City safe and looking beautiful for everyone.
