ALS Ice Bucket Challenge

The City of Ormond Beach was challenged this week by the City of New Smyrna Beach in the "Ice Bucket Challenge" to strike out ALS. In the spirit of raising funds for a good cause, City employees stepped up to the plate and got dumped with a bucket of ice. This popular event is taking place across the nation, and is a fun way to help raise funds for ALS, also known as Lou Gehrig's disease. As of today, the ice bucket challenge has reached \$53.3 million in donations! For further information on this fundraiser, visit the ALS website www.alsa.org.

Ormond Beach has now put out the challenge to the City of South Daytona, the Volusia County Manager, and the Ormond Beach Observer. The Observer staff, in attendance, immediately stepped up and received their ice buckets over their heads. It was a fun time for a great cause, and so far City staff has donated over \$200 to the ALS Ice Bucket Challenge.

Thank You Nova Volunteers

Over the summer, the Nova Community Center had several volunteers who helped work with Basketball Madness and Camp T-Rec. Jessica, Austin and Corey, the volunteers who helped Coach Hill with the daily basketball games, ran the scoreboard, officiated the game and helped clean up afterwards. Camp T-Rec had one special volunteer who came to get volunteer hours for school and learned that all children, including those with disabilities, love to play and learn. Trevor had many jobs to do over the summer, but the best one was playing with all of the children.

Coach Hill and the Camp T-Rec staff would like to say, "Thank you. We appreciate your dedication and willingness to give up a part of your summer to come and help us."

The Nova Community Center has programs throughout the year that would benefit from having helping hands. If you are interested in volunteering, please call the Nova Community Center at (386) 676-3252 for more information.

Volleyball Finishes Season

The Summer Youth Volleyball Program finished up its eight-week program on Thursday night with team awards, individual awards, as well as team t-shirts presented to all of the participants.

Totally 80's

Children's Musical Theatre (CMT) Workshop Alumni 2014 presented "Totally 80's" at the Ormond Beach Performing Arts Center on Saturday, August 16th. The cast of the show included former teachers and students of CMT Workshop. The show featured favorite songs from the 80's and included musical dance performances. The audience thoroughly enjoyed the trip down Memory Lane and showed their appreciation with their enthusiastic applause.

Proceeds from the performance were donated to a scholarship fund, which provides the opportunity for children who wish to study the performing arts but could not otherwise afford the tuition.

The mission of CMT Workshop is to create the finest theater education for aspiring young actors while providing an opportunity for them to grow as performers as well as responsible team players within a wholesome, family oriented structure.
