Waste Pro

The City of Ormond Beach would like to introduce Waste Pro of Florida, Inc., as your solid waste, recycling, yard waste and roll-off services contractor effective October 1, 2014. The City of Ormond Beach solicited for proposals earlier this year and

Waste Pro of Florida was the successful proposer. Waste Pro will take over from Waste Management on October 1, 2014.

During the week of September 29th to October 3rd, Waste Management will be collecting solid waste and recycling on Monday and Tuesday and on October 1, 2014, (Wednesday) Waste Pro will take over the contract and begin collecting yard waste, then solid waste and recycling on Thursday and Friday.

Currently, Waste Pro of Florida, Inc., services several local municipalities who have given them excellent reviews on their level of service and customer satisfaction. Waste Pro has made the commitment to the City of Ormond Beach to provide an exceptional level of service and continued customer satisfaction, consistent to the level residents have enjoyed for many, many years with Waste Management.

Waste Pro is proud to introduce CNG (compressed natural gas) vehicles to the City of Ormond Beach with their belief in helping communities achieve a more environmentally friendly alternative. The benefits of CNG are:

- First and foremost is the green house gas emissions. CNG vehicles produce at least 23% less green house gas emission than a diesel engine, leaving less of a carbon foot print on our environment.
- Noise pollution is another advantage of CNG vehicles. The noise level from a CNG vehicle is 90% lower than a diesel engine at idle.
- CNG is a domestic resource with over 140 years of reserve which eliminates the dependency on foreign oil boosting our national economy.
- CNG is safer than conventional diesel as well with a higher ignition temperature.

Waste Pro's commitment to the City of Ormond Beach residents is to provide for a seamless transition of collection services.

Coffee with a Cop

The Ormond Beach Police Department held its first Coffee with a Cop on Tuesday, September 16th, at Starbucks located at 1425 West Granada Boulevard.

Officers from the Ormond Beach Police Department and community members came together in an informal, neutral space to discuss community issues, build relationships, and enjoy a cup of coffee.

Coffee with a Cop provides a unique opportunity for community members to ask questions and learn more about the department's work in Ormond Beach's neighborhoods.

The majority of contacts law enforcement has with the public happen during emergencies and/or during emotional situations. Those situations are not always the most effective times for relationship building with the community and some community members may feel that officers are unapproachable on the street. Coffee with a Cop breaks down barriers and allows for a relaxed, one-on-one interaction.

Coffee with a Cop is a national initiative supported by The United States Department of Justice, Office of Community Oriented Policing Services. Similar events are being held across the country as local police departments strive to make lasting connections with the communities they serve.

The program aims to advance the practice of community policing through improving relationships between police officers and community members one cup of coffee at a time.

All community members are invited to attend the upcoming meetings at the following locations and times:

September 23, 2014, 8:30 am to 10 am

Challenger Sports

After a summer-long break, the Challenger Sports team began meeting on Tuesday, September 9th, for soccer practice at the Sports Complex.

This season we welcome several new players and some extra volunteers. The Seabreeze Key Club has generously volunteered to work with the players one-on-two to provide support as

the players learn new moves and practice drills. The players are excited to show off what they can do to the new volunteers.

The team will meet on Tuesdays for six weeks. If you are interested in programs for people with special needs, please call the Nova Community Center at (386) 676-3252.

Greek Cooking

Saturday, September 13, brought an enthusiastic group of "foodies" to The Casements kitchen. Greek cooking instructor Elaine Petenis offered a varied menu of delicious dishes, demonstrating the preparation from start to finish.

A bonus of being one of her students is bringing home a complete meal to savor in private.

Elaine's classes are comfortably seated around the kitchen island which affords easy viewing as she prepares the mouth watering Greek dishes.

KEEPING THE JEWEL SPARKLING

Tree trimming, pressure cleaning and maintenance of the boardwalks has been on the work agenda recently for Central Park. This beautiful system of parks consists of Central Park I on Fleming Avenue, Central Park II on the north side of Hammock Lane, Central Park III on the south side of Hammock Lane and Central Park IV between Division and Hand Avenues.

Central Park has been referred to as the “City’s Hidden Jewel” for many years. The jewel has at last been discovered, or so it seems, and is a favorite place for locals and visitors to escape to in order to get away from everyday concerns. With the increase in activity, our Parks Division remains vigilant in ensuring that our “jewel” always looks its best and is safe for the many visitors who seek its beauty.

Girl Scouts Hip Hip Hooray Day

On Saturday, September 13, the Girl Scouts of Volusia County hosted a Hip, Hip, Hooray Day at the Nova Community Center.

The event was a Hippie-themed carnival with various games set up around the gym. Each group was responsible for the game idea, its construction, and helping to run the game during the event. The girls enjoyed the games and meeting with other groups from around the county.

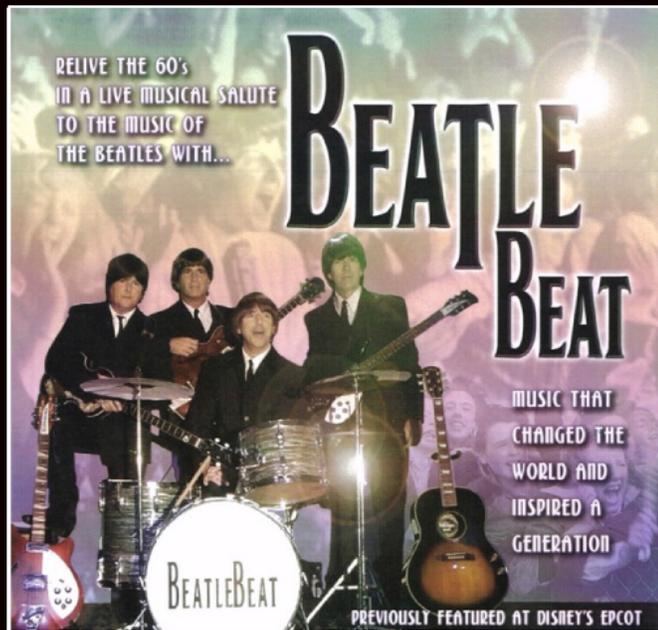

Walking with the Manager

On Friday, October 3rd, at 8:00 a.m., "Walking with the Manager" will begin and end at Ormond Beach's Andy Romano Beachfront Park, 839 South Atlantic Avenue. Please meet near the entry archway. The entire walk will be approximately 2 miles.

Robert Carolin, Leisure Services Director, will be City Manager Joyce Shanahan's "guest walker." Citizens are invited to join in the walk, ask questions, share comments and offer suggestions.
