City of Ormond Beach

OCTOBER 17, 2014

State of the City

On Wednesday, October 15th, the Ormond Beach Chamber of Commerce, in partnership with the City of Ormond Beach, held the tenth annual State of the City address at Oceanside Golf and Country Club. Approximately 200 people attended the event.

Mayor Ed Kelley's video presentation focused on the City's future...bright, prosperous and healthy. The presentation highlighted major economic development projects that were completed in the last year including

DuvaSawko, Emergency Communications Network, and S. R. Perrott, Inc., as well as new ones to come soon such as Padwell Holdings and Ameritech Die and Mold South. The recently completed expansions and new construction of these businesses accounted for \$13.8 in construction and the creation/retention of 460 jobs.

In local government, partnerships are critical, and Mayor Kelley emphasized the importance of these partnerships the

City has with other agencies, groups and private citizens. With the Mayor's "Award for Civic Engagement" (ACE), Mayor Ed Kelley recognized Peggy Farmer as being instrumental in initiating a North US1 task force of local and County officials and business owners to improve the appearance of the North US1 corridor. She worked to secure funding from the Florida Department of Transportation for median landscaping and irrigation as well as funding from Volusia County and private citizens.

Ormond Beach Youth Football

The Ormond Beach Pride and Pop Warner Football Programs are winding down their seasons this month with playoffs/bowl games scheduled for the end of October and early November, depending on how they perform in the playoff games.

The games are all played at Championship Field #7. Between the two programs, they have ten teams ranging in age from 6 to 14 years. Pride also practices at the new multi-purpose fields #11 and #12 at the Sports Complex, Monday through Friday.

Pickleball Clinics at Nova Community Center

The Nova Community Center is offering a free clinic for pickleball players every Tuesday from 9:00 a.m. to 11:00 a.m. Jim Evans, a Nova Center regular, is teaching what he has learned from Coach Mo, the Florida pickleball guru. He will teach new players how to be paddle ready, what court positions are the best for different shots, when to use a stroke shot or a dink shot, and many more helpful hints.

If you are interested in learning more about the fast growing sport, come to the Nova Community Center prepared to play between the hours of 9:00 a.m. to 12:30 p.m. Monday through Friday.

VertiFit Aerial Arts Classes

VertiFit Aerial Arts classes are now being offered by Barrie Michaels at the Ormond Beach Gymnastics and Cheer Center. Those volunteering to be models and the first to try out the aerial arts program recently were Ormond Beach Gymnastics Coach Marissa Marz, Ormond Beach's Deputy City Attorney Ann-Margret Emery and Caley Hayes, who was a student at

the gymnastics center when she was a child. All three had never participated in the program before but were performing aerial arts moves by the end of their first class.

Adult classes meet on Tuesdays 11:00 a.m. to 12:00 p.m., Fridays 6:45 p.m. to 7:45 p.m., and Saturdays 11:00 to 12:00 p.m. and 12:30 p.m. to 1:30 p.m.

Children classes are held on Saturdays at 2:00 p.m. to 3:00 p.m. and 3:30 p.m. to 4:30 p.m.

Please visit the VertiFit website, www.vertifit.com, for complete information on the program and its health benefits, class times, pricing and registration, or call 386-586-3268.

Health Freedom Event

The Health Freedom Event, a theatrical health awareness event, was held at the Ormond Beach Performing Arts Center on Saturday, October 11th. Ormond Beach resident Dr. Mike Van Thielen, a published author and holistic health practitioner, presented information about nutrition and the beneficial effects of eating a healthy diet. The live painting and lightshow of artist Perego and the musical performances of Sitar Rick (Rick deYampert) and Summer Foley added energy and excitement to the program.

WEEKLY PARKS MAINTENANCE

The upkeep of City parks is significant to the quality of life in Ormond Beach. The Parks Maintenance staff is putting in a lot of effort this time of year trimming, clearing pathways of fallen limbs, even cleaning up and cutting back growth at the Nova Community Park around the land fill monitoring wells so they can be properly monitored. Other tasks accomplished this week included deck repair at the Emmons Cottage, relocation of Memorial Gardens trash receptacle, installing benches at Memorial Gardens and Plaza Grande, and the installation of park rules signs at Central Park II.

Field Maintenance

The Field Maintenance staff at the Sports Complex had another busy week keeping up with the athletic activities going on seven days a week. Between nightly practices and games involving Seabreeze High School, City Youth Flag Football, OBYBSA Baseball/Softball, City Adult Coed Softball, Pride Football, T-Ball, as well as following up on the Wendelstedt fields work following the irrigation replacement, they are plenty busy. This does not include the weekend Lady Renegades softball tournaments, Freedom Sports adult softball tournaments, USSSA baseball tournaments, and Pop Warner football games.
