Play Ball!

Challenger Baseball recently started with some new friends. The softball team from Embry Riddle is volunteering all six weeks of the season. This will allow each of the Challenger players individual at-

tention when playing the game of baseball.

This season's team grew to 11 players with varying disabilities and includes two new players to the sport. They will spend the next few weeks practicing hard to improve their skills to be ready for the challenge against the Coordinators at the end of the season.

We appreciate the support of the Embry Riddle team in helping our players have fun while learning how to play ball!

The Casements Closed for Tours

On Wednesday, April 15th, The Casements Guild will not be conducting tours, nor will the Gift Shoppe be open, as it will be celebrating its thirty-sixth anniversary.

We congratulate the Guild on its anniversary and are extremely grateful for its dedication and service to the City of Ormond Beach over the last thirty-six years.

NOTICE TO CITY OF ORMOND BEACH WATER CUSTOMERS

The City of Ormond Beach Utilities Division will temporarily modify the disinfectant used for the City's potable (drinking) water system. Beginning April 6 through April 27, 2015, disinfection of the water distribution system will be performed with application of free chlorine (a stronger disinfectant) rather than chloramines (a longer-lasting disinfectant comprised of combined chlorine-ammonia).

This temporary disinfectant conversion, in conjunction with a coordinated flushing exercise, is a common practice for enhancing the effectiveness and reliability of disinfection in water distribution systems and is recommended by the Department of Environmental Protection. The normal use of the chloramines disinfectant will resume upon completion of the conversion period.

During this period the water continues to be of the highest quality and totally safe to drink. Customers may experience a slight difference in the taste and odor of the water as a result of the alternate disinfectant used.

Customers on dialysis using proportioning machines to prepare dialysate are advised to contact their physician to obtain the appropriate steps to accommodate this change in water disinfectant use. Customers having fish tanks or aquatic species are advised to contact a professional aquarist to minimize any adverse effects on these items associated with chlorine.

Please call the City of Ormond Beach Public Works Department with any questions concerning the information contained in this notice at (386) 676-3220.

*6 Selfies *9*

Members of The Ormond Beach Art Guild recently hosted an intergenerational art class at The Casements. The class, called "SELFIES," was held in the Art Room. Members of the Art Guild shared their talents with a new generation. Twenty students ranging in ages from 7 to 12 years enjoyed this free event using environmentally safe water based paints and recycled materials.

These art projects will be finished by the young artists on April 11th when they come back to The Casements for their second and final class. Their art

work will be displayed in The Casements Gallery for "Art in the Park" May 2nd and 3rd.

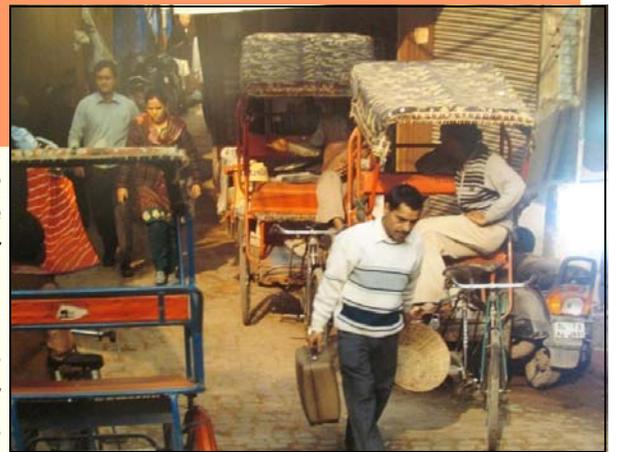

A huge thank you to PaintDrop by Valspar for donating all of the painting supplies and to the volunteers from the Ormond Beach Art Guild for providing this free class.

Incredible India

Alan E. Hovey is displaying a spectacular collection of his photographs from India in The Casements Gallery. The collection, called "Incredible India," will be available for viewing through April 28th.

His lifelong passion for photography has earned his images several awards. Alan is a graduate of the University of Florida. Retiring from a career in Saltwater, Pennsylvania, he relocated to Ormond Beach in 2001.

An active member of The Casements Camera Club, Alan usually focuses his images on people. In 2013, Alan traveled to India journeying from Delhi to Jaipur, Agra and Varanasi. Returning from India with 1700 pictures, again he discovered his favorite images were of the people.

Four groups of photographs: Street Scenes, Sacred Places, Rural India and Children are displayed in The Gallery. It is without a doubt an incredible show.

PARKS

The Leisure Services Parks staff continually strive to make our community a better place. Recently, staff worked with the volunteers of the Community Garden Committee to make the beautiful garden project in Central Park III become a reality. The Parks staff also carefully checks for safety issues and clean and maintain City parks daily. Their efforts are clear as you visit the parks throughout the City.

Follies Goes to the Movies – The Sequel

The 2015 annual production of the Follies entitled “Follies Goes To The Movies - The Sequel” was performed on Friday and Saturday evening, March 27th and 28th and the afternoon of Sunday, March 29th, at the Ormond Beach Performing Arts Center.

The dedicated and talented members of the all-volunteer Follies cast work hard for months to prepare and rehearse the show. The Follies dancers were featured in the musical numbers throughout the show, and there were many hilarious skits.

The PAC auditorium was nearly sold out for all three performances. The Follies cast did a great job, and the audience showed their appreciation for the performers with standing ovations at the end of the show.

Parents' Night Out

On Friday, April 17th, from 6:00 p.m. to 10:00 p.m., at the Nova Gymnastics and Cheer Center, located at 432 N. Nova Road, children ages 6-12 can enjoy a fun filled evening while their parents have night out. **The fee is \$10 per child and space is limited so register now!**

Parents call it a break from the kids. Kids call it a great time. Sounds like a win-win situation to us. Parents' Night Out gives you a chance to enjoy some adult time to see a movie, catch up with friends, run errands or enjoy a great night out!

The Leisure Services Department trained instructors will lead the children through games, activities and organized gym time. The kids will also have a pizza dinner and enjoy a movie and popcorn. Most importantly, you will be able to relax knowing your children are safe and having fun!

The \$10 per child fee covers the cost of snacks, dinner and activities. Participants should dress in comfortable athletic clothing.

Please register at the Leisure Services Registration Office, 399 N US 1 or if you are set up to register online go to: <https://etrak-plus.com/default/flex/onlineRegistration.jsp?orgSerial=38&origin=http://www.ormondbeach.org>.

Florida Licensing on Wheels

The Florida Department of Highway Safety and Motor Vehicles "Florida Licensing On Wheels" (FLOW) mobile unit will be at City Hall on Tuesday, April 14th, from 11:00 a.m. until 3:00 p.m.

FLOW is a standalone mobile office with technology to provide most motorists' needs. It provides drivers license/ID card change of address, renewals, replacements, and renewals and replacements of vehicle registration and disabled parking permits, as well as other needs. The only thing FLOW does not provide is for the drivers' license road test.

FLOW brings services to the local communities offering a convenience to citizens while saving them time and gas.

Before visiting, please go to www.gathergoget.com to learn about licensing and ID requirements and make sure you have everything you need when you visit FLOW so you don't have to make a second trip. You can also contact the Florida Highway Safety and Motor
