

# PROCLAMATION

**WHEREAS**, Theodore S. "Ted" MacLeod came to the City of Ormond Beach in 1993 as Public Works Director and has been the City's Assistant City Manager/Public Works Director for the past 14 years. He is a Professional Engineer licensed in New Hampshire and Florida. Prior to relocating to Ormond Beach, Ted served as City Engineer and Public Works Director with the Town of Manchester, New Hampshire, for 21 years; and

**WHEREAS**, it seems like only yesterday...but over the past 22 years that Ted has been with Ormond Beach, he has filled many roles and worn many hats and quite a few pairs of suspenders. At least on three occasions, he has served as Acting City Manager for extended periods and did so superbly. Many times employees in local government must perform double, and sometimes triple duty, and Ted is no exception. He runs a tight ship, is on call 24/7, and routinely responds to resident issues beyond normal working hours. Ted is fervent in his mantra to staff to be considerate at all times when serving our customer community, reminding us that we should serve all customers as if they were our own grandmothers; and

**WHEREAS**, Ted consistently and dependably provides sound judgment and versatility in the way he develops practical solutions to various and challenging day-to-day business decisions for the City of Ormond Beach. He has been acknowledged on numerous occasions by the City Commission for his integrity and is equally respected by his subordinates. Ted is a mainstay in our community. His efforts to serve the residents of this community to the best of his ability provides an ideal example for all Ormond Beach staff and citizens alike; and

**WHEREAS**, we wish to express our sincere appreciation to Ted MacLeod for his tireless professional expertise and unmatched exemplary service in guiding Ormond Beach through many challenging periods, such as the recent need to expand the City's Water Treatment Plant and Wastewater Treatment Plant, his leadership in completion of several crown jewel projects for the City including the renovation of The Casements and Rockefeller Gardens, Andy Romano Beachfront Park, the interconnection of the Central Park Lakes, and the under construction Environmental Discovery Center...as well as significant infrastructure project implementations, preparation of critical services contracts and interlocal governmental agreements, and the ever-important and complicated processes of assisting responses to customer and City Commission inquiries;

**NOW, THEREFORE**, I, Ed Kelley, Mayor of the City of Ormond Beach, Florida, do hereby proclaim November 17, 2015, as a day to appreciate and honor
