## CITY HALL GOES TO HUNTER'S RIDGE

On Wednesday, June 8, Ormond Beach 2 Go! was held at the Hunter's Ridge clubhouse. OB2Go! is where the City goes on the road to bring services to residents in their community.

From 1:00 p.m. to 3:00 p.m. staff from Administration, Building, Engineering, Finance, Fire, IT, Leisure Services, Neighborhood Improvement, Planning, Police and Public Works were present to answer questions, and provide information.

Residents were able to get a recycle bin, pay their water bill, have their blood pressure checked, and register for CPR class or the Citizens Police Academy, and much more.

We appreciate the Hunter's Ridge community having us visit and thank the residents who stopped by.

If you are interested in having OB2Go! come to your neighborhood, please contact Terri Hamsher at 386-676-3201.

# Badges and Boardshorts

Surfer Patrick Conklin

Ormond's finest wanted to "Surf and Protect"! The Ormond Beach Police Department (OBPD) held the first "Badges N' Boardshorts" at Andy Romano Park on June 4 between 6 a.m. and 6 p.m. This free beach event was attended by several hundred visitors and featured water safety awareness, competition, instruction, and waves of fun!

At sunrise there were 12 local professional surfers competing in the Pro Invite Contest and 36 competitors for the Free Open Surf Contest. The Mens Pro Results were: 1<sup>st</sup> place Jesse Heilman ,2<sup>nd</sup> place Matt Zaccaria, 3<sup>rd</sup> place Eros Exarhou. The Open Surf Con-

test Results were: 1<sup>st</sup> place Eric Worley, 2<sup>nd</sup> place Chase Elmore, 3<sup>rd</sup> place Dylan Martin. The winners received unique Tiki trophies and prizes.

The free surf clinic kicked off at 9 a.m. and was taught by Surfing Hall of Famer Mimi Munro along with OBPD officers. The surf boards were provided by Salty Dog Surf Shop. A water safety presentation was provided by members of Aqua Journey.

Mermaids and Josh the Otter greeted families at the splash park. A lucky raffle participant won a custom surfboard. Surf 97.3FM and Pyramid Disc Jockeys provided the tunes for this totally cool event.

St. Brendan Elementary (far side), Tomoka Elementary (near side)

There was an exciting game of tug-of-war and, unfortunately, our police officers lost a hard battle against the surfers. In the 5<sup>th</sup> grade elementary school Tug-of-War tournament, Tomoka Elementary came out on top, and the limbo contest was won by OBPD officer Brie Smith.

Congratulations to all the winners and thank you to our sponsors and everyone who came out to enjoy the fun!

# Ms. Debby's Recital

Ms. Debby MacDonald's Dance and Acting classes held their annual recital entitled "The House on the Hill" at the Ormond Beach Performing Arts Center on Sunday, June 5.

Ms. Debby conducts dance and acting classes at the Nova Community Center throughout the year. The students range in

age from elementary school through middle school. They receive instruction in ballet and modern dance including jazz, tap, and hip hop, as well as instruction in acting.

All the students performed in the recital, and the audience of family and friends responded to the excellent performance with tremendous applause.

## EDC First Public Program a Success!

The Environmental Discovery Center (EDC) held its first public program, a plant ID hike, on Saturday, June 4 led by volunteers Lauren and Hanh.

The group of 20 people hiked around the EDC and onto one of the Central Park trails. The discussion focused on native and non-native plants commonly found throughout the site and some of the features of the butterfly garden and the rain garden were explained.

This program took place on American Hiking Society's National Trails Day. It was a great way to combine both recreation and education.

The EDC will be closed weekdays for Enviro Camp from June 13 through August 5. It will be open to the public on Saturdays during this time. Please check the City's website at <http://www.ormondbeach.org/index.aspx?NID=730> for more information about the EDC and its operating hours.

# Back the Blue

“Back the Blue” Kickball Challenge was held on June 2 at Pine Trail Elementary. The Ormond Beach Police Department (OBPD) challenged Pine Trail Elementary teachers to a friendly game and the teachers enthusiastically responded to the challenge. There were 700 students in attendance to cheer on their teams. It was a fun and exciting game, the teachers put forth a great team effort, but the officers came out ahead with a score of 12-4.

This event was a cooperative effort between the community and law enforcement and builds

productive relationships between police officers, students, parents, and school staff. With school just ending, we believe this effort will leave a positive influence on everyone involved.

## PARKS

The Leisure Services Parks staff installed new signs on the columns at Riviera Park this week. At Andy Romano Beachfront Park, staff fixed a plate cover, installed reservation signs

on the barbeque grills and also installed a soft cushion surfboard rack. They also picked up litter at the Environmental Discovery Center.

As usual, Citywide safety inspections were performed of all parks and equipment and weekly inspections were done of parks facilities for reservations. All park reservations were posted at various facilities.

# Coffee with a Cop

**Location:** STARBUCKS COFFEE  
247 E. Granada Blvd. #6  
Ormond Beach FL 32176  
(386) 673-3930

**Date and Time:** June 14, 2016  
8:30 am and 10:00 am

The Ormond Beach Police Department will have a cup of coffee waiting for you at Starbucks on June 14 between 8:30 a.m. and 10:00 a.m. The *Coffee with a Cop* program brings officers from the Ormond Beach Police Department and community members together for free coffee and priceless conversations.

The Ormond Beach Police Department has been holding these events for almost two years and has received positive feedback at each get together. *Coffee with a Cop* provides a unique opportunity to meet police officers in an informal, relaxed environment to discuss community issues, build relationships, and drink coffee provided by the establishment at no cost.

The majority of contacts law enforcement has with the public happen during emergencies and/or emotional situations. Those situations are not always the most effective times for relationship building with the community and some community members may feel that officers are unapproachable on the street. *Coffee with a Cop* breaks down barriers and allows for a relaxed, one-on-one interaction.

*Coffee with a Cop* is a national initiative supported by The United States Department of Justice, Office of Community Oriented Policing Services. The program aims to advance the practice of community policing through improving relationships and communication between police officers and community members. *Coffee with a Cop* is building a stronger community one cup at a time!
