Daytona Beach, FL-At Ormond City Hall Tuesday night, the public will get a look at a new video showing what the Andy Romano Beachfront Park will look like when it's complete.

The artist rendering "flies" over the park showing facilities including parking and a children's beachside playground.

You can see the video posted on the city website [here](#).

[Zev](#) Cohen and Associates developed the video. The park was oked by taxpayers in August 2010 at a cost of \$5.5 million dollars.

The meeting begins at 7pm.
