Bill Partington
MAYOR

Dear Ormond Beach Citizens,

Every year, flooding causes more property damage in the United States than any other type of natural disaster. Flooding can happen anywhere, but certain areas are especially prone to serious flooding. To find out what flood zone your property is in, you may call 386-676-3238, press option 3, or visit: <http://www.ormondbeach.org/index.aspx?nid=243>.

Standard homeowners' policies do not cover flooding from rising water. Did you know that Ormond Beach participates in the National Flood Insurance Program (NFIP)? This means all property owners can purchase flood insurance for structures and contents within Ormond Beach. Renters can purchase insurance for their belongings too.

To find out more about flood insurance for your property and its contents, speak to an insurance professional to understand your flood insurance needs and to see if you are fully insured. Information is also available by calling the City of Ormond Beach at 386-676-3238, press option 3 and from the www.floodsmart.gov website.

Warmest Regards,

Mayor Bill Partington
