DISCUSSION/ADJOURNMENT

Mr. Pezzimenti voiced his concerns with the lack of/ use of patrol video cameras. Chief Osterkamp explained that we have had many problems with the older VCR video cameras and the company where we purchased them has since gone out of business. Because of budget constraints and the high cost to replace all the old-outdated models, we are slowly purchasing newer –digital type units when possible. Additionally, any new patrol vehicles that we purchase will be equipped with digital cameras.

Mrs. Sharifi inquired if there was an increase in crime involving foreclosed homes, Chief Osterkamp advised that we have had an increase in code enforcement issues, but no real change in criminal activity.

Chief Osterkamp addressed the board members regarding our current status in personnel. He informed them that we currently have three (3) vacancies in law enforcement officer positions, one (1) Crime Scene –Evidence Technician and one (1) administrative staff vacancy.

Next meeting scheduled for **Wednesday, November 10, 2010 at 7:00PM.**

Mr. Furman motioned to adjourn the meeting, seconded by Mr. Pezzimenti, meeting adjourned at 7:45 PM.
