DISCUSSION:

Chairman Tilley thanked Sergeant Elkins for preparing the summary of cases to be reviewed.

Mr. Shumaker questioned whether IA#16-012 had been completed and why Chief would change the recommendation submitted by a Sergeant and Captain to sustain.

Chief responded the investigation was completed and the findings were Not Sustained. The investigation disclosed insufficient evidence to prove or disprove the allegation of the Officer being discourteous to the complainant during their interaction together.

Mr. Pittman responded that he could understand the miscommunication between the parties and the purpose of law enforcement is to protect and serve.

Mr. Shumaker after discussion and Chief's explanation was content with the decision made.

A citizen, Mr. Kaminski, arrived at the Police Department to appear before the Board to discuss the merits of an investigation he was involved in. Unfortunately, Mr. Kaminski's case was not on tonight's agenda. He asked when the next Board meeting would be held and was told it would be February 2017. He left the meeting and said he would return then.

Mr. Pittman commented great job by all involved regarding case #16-060.
