

CITY OF ORMOND BEACH

Certificate of Appreciation

Fernando & Irma Manzano

The City Commission of the City of Ormond Beach recognizes Fernando & Irma Manzano as the founders of Vida Milenaria AC, a nonprofit dedicated to the long term protection of sea turtles. They use the nonprofit to educate and involve communities in their quest to bring the Kemp's ridley sea turtles back from the edge of extinction. Fernando's favorite rewards are the smiles on the faces of children that visit Tecolutla annually to participate in the release of hatchlings. Their passion for these sea creatures touches thousands of people each year, inspiring both young and old to care about sea turtles and for the environment.

I hereby extend best wishes for your continued success and award you this certificate of appreciation for

**OUTSTANDING DEDICATION TO THE ENVIRONMENT
AND THE KEMP'S RIDLEY SEA TURTLES**

Bill Partington, Mayor
