APPEALS		
To City Manager		\$61.64
To City Commission		\$61.64

Penalties:

Any person commencing work without a permit shall be subject to a fee double the permit.

Refunds:

For projects that are cancelled after fees are paid, a 75% refund shall apply. Projects that have begun construction shall not be eligible for a refund.

Other Fees and Charges:

The applicant is responsible for other related fees and charges not enumerated in this schedule prior to receiving building permits/certificate of occupancy as required by law. These include, but are not limited to, City and County Impact fees, utility fees, etc.

SECTION 4: Annual Adjustment of Fee. That the building permit fees shall be adjusted upward on October 1, 2011, and every October 1 thereafter by multiplying the rates in effect on the prior October 1 by 100% of the percentage increase in the Consumer Price Index (CPI) for the 12 month period ending the preceding October. The fees shall remain the same in the event the CPI indicates a decrease. If the index ceases to be published on a monthly basis, the adjustment shall be based on the CPI for the most recent 12-month period. The CPI to be used shall be the Consumer Price Index- All Urban Consumers as published by the United States Department of Labor for U.S. city average.

Registered Contractors

Registration renewals pertain to those that were grandfathered-in, in regards to Ordinance #80-5, Ordinance #80-6 & Ordinance #81-35, and those contractors accepted per inter-local agreements with cities within Volusia County.

Certified Contractors

- The \$90.00 biennial Listing fee for certified contractors is a voluntary fee and may be renewed annually for \$45.00 if requested by the contractor.
- Certified contractors may decline participation in the Volusia County Contractor Licensing Program. Proof of licensure and insurance will be required for each permit application. This also applies to contractors working in cities that have elected by inter-local agreements to allow Volusia County to handle their contractors licensing program.

Local Specialty Contractors

Will be issued a Competency Card. There is no State registration to obtain. All requirements for liability insurance and worker's compensation apply to Local Specialty Contractors.

Certified and Registered Contractors must furnish proof of public liability insurance per Rule 61G4 Florida Administrative Code. Electrical Contractors and Master Electricians must furnish proof of insurance per Rule 61G6 Florida Administrative Code. All Contractors must furnish proof of Worker's compensation per Chapter 440 Florida Statutes.

No building permits will be issued until insurance requirements are satisfied.

Stop work orders may be issued during construction if insurance coverage is terminated.

SINGLE BUILDING PERMIT SYSTEM

There shall be one building permit issued to the contractor/builder of record, which shall be deemed the permits for the trade work and secondary work types.

1. The permit applicant will be required, at the time of making application, to list all major subcontractors along with each subcontractor's certification or registration number they intend to use for the work. The list shall include, but not be limited to, the electrical, plumbing, mechanical, roofing, alarm, fire sprinkler, gas, specialty structural and solar contractors.
2. When a change in subcontractors named on the original building permit is made, it is the responsibility of the permit applicant to notify Volusia County Building Activity and submit all pertinent information to include postage, relative to the new subcontractor. Inspections will be suspended until a new subcontractor is assigned.

EXHIBIT "J"
VOLUSIA COUNTY

Applicants applying for permits on construction or work started, without a permit for which a permit is required, will be charged a double permit fee for the first occurrence. For the second or any subsequent occurrences, a \$295.00 additional penalty plus the double permit fee will be charged and a complaint filed with the Department of Business and Professional Regulation in the case of certified contractors, or the appropriate Volusia County Board in the case of registered contractors.
