

Central Florida's Preferred Business Address

Ormond Beach Municipal Airport

The Ormond Beach Municipal Airport has available for development three parcels of land in the Southeast Quadrant, ranging in size from .80 acre to 2.24 acres. Located close to I-95 and U.S. Highway 1, this is an ideal location for aviation businesses or aircraft storage. The airport offers intersecting runways 9/27 and 17/35, which are 4004' and 3701' respectively. On-site services include aviation management, aircraft sales and rentals, flight support, flight training, aircraft maintenance and restoration, air taxi and charter services.

- Direct access to a new taxiway system and heliport completed in 2013
- Water, sewer and road access
- Project includes Master Storm Water Plan allowing 80% coverage for parcels
- Air traffic control tower and an adjacent airport business park
